

**AF-014**

## **ROUND CABLE STRIPPER**

**STRAIGHT OR SPIRAL PEELING**

**DIAMETERS 4.5 TO 29 mm**

The AF-014 is a compact, ergonomic and convenient optical fibre cable hoses stripper that can make straight or an spiral cuts to hoses of up to 29 mm in diameters with a simple adjustment of its blade.

It can be used to remove the jackets of PE, PVC, rubber and other materials.
